

Member Benefits

When you're a Cascade Member, you get a team of experts and a complete range of services for meeting your compliance obligations, training for excellence, building employee productivity and engagement, and providing competitive pay and benefits. The value of belonging is much greater than the cost of membership.

No-Charge Benefits

AnswerSource Helpline

Call for quick and reliable answers to your employment-related questions. Up to 15 minutes of free consultation per issue.

- Regulatory compliance questions
- Guidance on common workplace issues

Human Resource Practices Assessment

Receive a one-on-one assessment of your human resource practices to help you get and stay in compliance.

Total Cash Pay Assessment

Select a job within your organization and our compensation team will review pay and bonus data from multiple market survey sources, recommend pay and bonus levels, and include a comparison of your specific position versus your competitive market.

Quick Pulse Employee Survey

With just three questions, this quick online survey helps you discover what matters most to your employees and what they feel is in most need of improvement.

Leadership Engagement Essentials

Get one annual registration for this two-day program, delivering insightful strategies that promote consistent leadership practices.

SalaryTrends® Subscription

Fresh, local pay data for hiring well and evaluating market pay practices, 24/7. Enter your pay data online and get an annual subscription to the Oregon Regional Pay Survey.

Critical Compliance News and Workplace Information

Stay compliant through updates in our monthly newsletters and late breaking e-alerts, and keep informed by opting into our blog, GreatWork!, for workplace leadership knowledge.

Online Member-Only Area - A Wealth of Resources
