<ul style="list-style-type: none"> ■ Market Range 		\$57,400	\$71,700	\$86,000

PayRight Comparison

<ul style="list-style-type: none"> ■ Organization Salary 	\$67,300
<ul style="list-style-type: none"> ■ Organization Salary Vs. Market 	94% (Where Market Norm = 100%)

* Represents estimates of specified market pay levels based on Cascade's comparison of Organization vs. survey job definitions. Using actual market data for specified job, survey pay levels are projected if the Organization Job is equal to (=) greater than (+) or less than (-) the Survey Job. All data has been aged to estimated current market levels.

** Competitive Market Range assumes Company observes a "market average" (Northwest region) base pay strategy.
